(January 2016 Updated)

Agency	Sub-Agency	Title of Initiative	RIN/OMB Control Number	Summary of Initiative	Status of Initiative - New to this update, Ongoing, or Completed	Target Completion Date (If completed, please add the publication date and cite in Federal Register for example)	Does the initiative include regulatory flexibilities such as pilot projects, safe harbor exceptions, sunset provisions, trigger provisions, streamlined requirements, state flexibilities, or other similar strategies?	What methods will you engage in to Identify Improvements (public comment, analyses, third party assessments, etc.)? Please identify all that apply	If available, anticipated or realized savings in costs and/or burdens and anticipated or realized changes in benefits
GSA	Office of Government-wide Policy	GSAR Case XXXX-XXX Paper Price List Distribution for Federal Supply Schedules	TBD	Remove requirement to distribute paper price lists to Federal Supply Schedule vendors because the price lists are displayed electronically on GSA Advantage.	New - Under Development	6/30/17	No	Public and agency comments.	Updates contract requirements to reflect the current process that contractors utilize to make their Multiple Award Schedule offerings available to ordering activities.
GSA	Office of Government-wide Policy	FTR Case 2015-303; Optimal Use of the Government Contractor-Issued Travel Charge Card	3090-AJ68	Update 41 CFR Parts 301-51 and 301-70 for the use of SmartPay® Travel charge card requirements and exceptions.	New - Under Development	NPRM: Published at 81 FR 5007, on 1/29/16.  Comments due by 3/29/2016.	No	Government-wide Travel Advisory Committee; Public and agency comments.	Currently a significant number of transactions are not charged on the government issued charge card and reducing this number has the potential to save up to \$1 million in charge card rebates.
GSA	Office of Government-wide Policy	FTR Case 2016-XXX; General Administrative Update – TDY	TBD	Update numerous TDY provisions based on administrative changes, case holdings, and agency review.	New - Under Development	NPRM: 06/31/2016	No	Public and agency comments.	The purpose of this is for accuracy with current statute and case law, not cost savings.
GSA	Office of Government-wide Policy	FTR Case 2015-XXX; Payment in-kind/Purpose Codes	TBD	Update 41 CFR Parts 300-3, 304-3, and App. C to Chapter 301, with regards to definitions, purpose codes, and in-kind payments to speakers at meetings and events.	New - Under Development	NPRM: 06/31/2016	No	Government-wide Travel Advisory Committee; Public and agency comments.	Increase efficiency, consistency, and transparency of reporting conferences and other purposes of travel by Government employees. The estimated savings is undetermined, although this should reduce administrative burden for attendance of scientific conferences as well as enhance the mission of STEM related employees.
GSA	Office of Government-wide Policy	FTR Case 2016-XXX; General Administrative Update - Relocation	TBD	Update numerous relocation provisions based on administrative changes, case holdings, and agency review.	New - Under Development	NPRM: 06/31/2016	No	Public and agency comments.	The purpose of this is for accuracy with current statute and case law, not cost savings.
GSA	Office of Government-wide Policy	FTR Case 2016-XXX; Per Diem Meals Allocation	TBD	Update 41 CFR Part 301-11-18 by removing the breakdown table for the meals and incidental expenses (M&IE) portion of the per diem allowance. The table will continue to be published on GSA's website and any changes to the rates will be publicized via FTR Bulletins.	New - Under Development	NPRM: N/A  FINAL: 06/31/2016	No	N/A	Update will improve efficiencies and reduce costs by avoiding continuous updates to the FTR through traditional rulemaking processes as regulatory bulletins and updates to the GSA website for this purpose will suffice. Estimated administrative cost avoidance of \$100,000 every time the meal rates are updated.

Agency	Sub-Agency	Title of Initiative	RIN/OMB Control Number	Summary of Initiative	Status of Initiative - New to this update, Ongoing, or Completed	Target Completion Date (If completed, please add the publication date and cite in Federal Register for example)	Does the initiative include regulatory flexibilities such as pilot projects, safe harbor exceptions, sunset provisions, trigger provisions, streamlined requirements, state flexibilities, or other similar strategies?	What methods will you engage in to identify improvements (public comment, analyses, third party assessments, etc.)? Please identify all that apply	If available, anticipated or realized savings in costs and/or burdens and anticipated or realized changes in benefits
GSA	Office of Government-wide Policy	GSAR Case 2013-G502I Federal Supply Schedules: Administrative Changes	3090- AJ41	Provides the public an opportunity to comment on 35 provisions and clauses already used in Federal Supply Schedules contracts by putting them through the rulemaking process. Allowing public comment on these provisions and clauses may reveal unnecessary requirements that can be removed from FSS procurements and thus reduce burden on contractors.	Ongoing	NPRM: Published at 79 FR 54126 on 9/10/14  Extended comment period due date 79 FR 64356 10/29/14  FINAL: 6/30/16	No	Public and agency comment.	Allows a baseline of burden to be calculated for requirements that previously never received public input. Also allows the potential to eliminate duplicative or unnecessary processes from FSS contracts.
GSA	Office of Government-wide Policy	GSAR Case 2008-G506; Rewrite of GSAR Part 515, Contracting by Negotiation	3090- AI76	Revises the GSAR to: maintain consistency with the FAR, revise language to make it clearer, update statutory citations, and delete obsolete language.	Ongoing	NPRM: Published at 73 FR 57580 on 10/3/08  2nd NPRM: 8/30/16	No	Public comments.	N/A
GSA	Office of Government-wide Policy	GSAR Case 2013- G504; Transactional Data Reporting	3090- AJ51	Revises GSA contract clauses to require vendors to electronically report the price the federal government paid for an item or service bought through GSA acquisition vehicles, producing market intelligence that GSA and its partner agencies can use to make cost-effective acquisition decisions and save even more taxpayer dollars. For the Multiple Award Schedules (MAS) program, GSA would introduce the transactional data reporting requirement in phases, beginning with a pilot of select products and commoditized services.	Ongoing	NPRM: Published at 80 FR 11619 on 3/4/15  Extended comments due date May 6, 2015 to May 11, 2015 80 FR 25994  FINAL: 4/30/16	Pilot of select products and commoditized services	Public comment, public meeting, and collaborative dialogue with industry.	Reduce burden on contractors by 85 percent, \$51 million annually, and over 757,000 hours.  Comments have been received. GSA has categorized the public comments received both from the public meeting and the proposed rule in major themes. GSA is currently working on development of the final rule.
GSA	Office of Government-wide Policy	GSAR Case 2007- G500; GSAR Part 517- Special Contracting Methods	3090- AI51	Revises the GSAR to: maintain consistency with the FAR, revise language to make it clearer, update statutory citations, and delete obsolete language.	Ongoing	NPRM: Published at 73 FR 32274 on 6/6/08 and 80 FR 34126 on 6/15/15  FINAL: 5/31/16	No	Public and agency comments.	N/A
GSA	Office of Government-wide Policy	GSAR Case 2010- G511; Federal Supply Schedules: Purchasing by Non-Federal Entities	3090- AJ43	Updates the GSAR to implement a number of statutory provisions to provide increased access to GSA's Schedules. Specifically, updates GSAR part 511 to implement the Federal Supply Schedules Usage Act of 2010, the Native American Housing and Self-Determination Reauthorization Act of 2008, the John Warner National Defense Authorization Act for Fiscal Year 2007, and the Local Preparedness Acquisition Act for Fiscal Year 2008 and updates GSAR part 538 and GSAR part 552 in regard to this statutory implementation.	Ongoing	NPRM: Published at 79 FR 21691 on 4/17/14  FINAL: 5/29/16	Contractors may opt in or out of the program.	Public comment and collaborative dialogue with industry.	N/A
